PARTS, ACCESSORIES, AND  
MERCHANDISE CATALOG

# INTRODUCTION

**DEAR NISSAN MOTORSPORT ENTHUSIAST,**

The highly anticipated launch of the new NISMO USA catalog has arrived! As you look through the catalog, you will notice it has many new products and features. Primarily, we have attempted to include as many images of the actual parts as we can to give you an idea of what the parts represent. Many new and out-of-production NISMO parts, Nissan Motorsports Competition parts, JDM (Japanese Domestic Market parts), INFINITI Performance Parts, and Branded Merchandise items are shown. In addition, parts are categorized for all vehicles by Vehicle Model for ease of locating and identifying the parts you need.

With the launch of many new Nissan and INFINITI vehicles, the team at Nissan Motorsports remains committed to continuing to build our motorsports competition parts heritage because we know at the end of the day it will result in better products for you!

We want to thank you for your continued support of Nissan/INFINITI products and hope you enjoy the new NISMO USA catalog. Please feel free to contact your nearest Nissan Dealer or INFINITI Retailer to inquire about any of these parts or branded merchandise.

Thank you for your support and see you at the races!

The Nissan Motorsports Staff

**HOW TO USE THIS CATALOG**

This catalog contains hundreds of parts and branded merchandise for Nissan/INFINITI vehicles. It is easy to find the performance part you need: Simply check the division tabs on the outer edge of the pages for the proper model. When in doubt about a particular Nissan or INFINITI model, cross-reference your model or engine in the model guide in the front of the catalog.

**TECHNICAL ASSISTANCE**

This is not a how-to book. When purchasing NISMO Parts, we have to assume that you possess the knowledge and necessary tools to install them. If you do not possess these skills, it will be to your advantage to retain a professional technician to do a portion or all of the work required. We can provide the parts to enhance the appearance and performance of your Nissan/INFINITI, but we cannot make you a better mechanic. Also, when in doubt, contact your nearest Nissan Dealer or INFINITI Retailer. They have the technicians that can possibly assist you with your questions/concerns regarding installation of NISMO or INFINITI Performance parts.

**PURCHASING PARTS, ACCESSORIES, AND MERCHANDISE**

You can purchase NISMO or INFINITI Performance parts from any Nissan Dealer or INFINITI Retailer. If the Dealer or Retailer does not carry the part in stock, they will contact Nissan Motorsports directly for price and availability information.

Some parts will require special order from Japan and may take upwards of 6 – 8 weeks for delivery depending if Japan has stock of the part.

# INTRODUCTION

## FOR NISSAN DEALERS, INFINITI RETAILERS or REGISTERED RACERS ONLY:

### HOW TO ORDER NISMO RACING PARTS

Please email the Nissan Motorsports office at [nmc.race@nissan-usa.com](mailto:nmc.race@nissan-usa.com). Dealers/Retailers must provide a Purchase Order Number and valid Dealer Code when ordering parts. Placing your orders via email provides us with an exact record of your order (including time & date).

If you have any questions/concerns about your order, you may call the Motorsports Parts Department at 1-888-833-3225 between 9:00 am and 5:00 pm (CST), Monday through Friday. The voice mail answering system will be reached if calling before or after hours, or if the phones are busy.

### SPECIAL ORDER PARTS

Nissan Motorsports can special order parts from NISMO Japan as well as Nissan Motor Limited for any authorized Nissan Dealer or INFINITI Retailer. These special ordered parts are "one-way," non-returnable, and carry no warranty. Depending on availability of such special order parts, generally allow at least 6-8 weeks for delivery.

Please email Nissan Motorsports at [nmc.race@nissan-usa.com](mailto:nmc.race@nissan-usa.com) for further information.

### SUPERSEDED PARTS

When a part number is superseded, the replacement part will be shipped or backordered. The price of the replacement (superseded) part may differ from the original ordered part. Dealers, Retailers and Registered Racers are responsible for accepting and paying for the new part if there is an increase in price due to supersession.

### PRICING

The individual selling Nissan Dealer or INFINITI Retailer sets MSRP for each part. Nissan North America, Inc. or Nissan Motorsports reserves the right to change published prices and specifications without prior notice.

*Call or visit your nearest Nissan Dealer or INFINITI Retailer for price, availability, and more information about NISMO and INFINITI Performance parts.*

### SHIPMENTS

NISMO or INFINITI Performance parts orders, in most cases, will be shipped within 48 hours. Large orders may require additional time. Nissan Motorsports is not responsible for any expedited/overnight orders that may be delayed or do not arrive on time. All orders are shipped via FedEx or LTL depending on the size and weight of each order. The FedEx standard method of shipment is ground. For expedited shipments please specify "overnight" or "second day air" when placing an overnight order.

## **PAYMENT**

We accept VISA, MasterCard, American Express and Discover. We do not accept C.O.D. orders or "open account" orders. Orders are billed immediately after the order is processed. Applicable freight charges and any applicable city, county and state taxes are added at the time of billing. Nissan Dealers and INFINITI Retailers are billed directly to their Non-Vehicle Account.

## **PARTS RETURNS**

Unless there is a defect in material or workmanship, parts returns are not allowed for NISMO or INFINITI Performance parts. No returns, refunds or exchanges are accepted. If you have any issues or concerns about the parts received, please email Motorsports at [nmc.race@nissan-usa.com](mailto:nmc.race@nissan-usa.com).

## **DAMAGE/MISSING ITEMS**

All claims must be submitted within 30 days of receipt of order. Damaged or missing items **MUST** be noted on the shipping documents provided by the freight company driver. Any claims that do not have this noted at time of delivery will be denied. Nissan Motorsports will not honor any damages noted after reshipping out to a customer. Again, any claims that do not have this noted at time of delivery will be denied. Missing items claims will be reviewed on a case-by-case basis. If Nissan Motorsports determines no inventory discrepancies, the claim may be deemed void.

## **NISMO AND INFINITI PERFORMANCE PARTS WARRANTY**

New Vehicle Limited Warranty excludes damage resulting from racing or competition. NISMO and INFINITI Performance parts are sold "AS IS" without warranties, express or implied (including all warranties of merchantability or fitness for a particular purpose), unless expressly prohibited from doing so by applicable law, in which case the warranty provided is the minimum required by law. Damage or failures caused by use of this part are also excluded from warranty coverage. See warranty booklet for details. Obey all traffic laws, always drive safely and wear your seatbelt. Designed and intended for off-road use application only. See your Owner's Manual for proper vehicle operation.

**The installation of NISMO or INFINITI Performance parts on a vehicle intended for use on public streets or highways may violate laws and regulations relating to motor vehicle safety standards or emission regulations.**

NISSAN, INFINITI, NISMO names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd., and/or its North American subsidiaries.
